Hey Babe,

Please do not insult my intelligence and tell me that is not your email address that was found in your Truthfinder background check report.

Fax Cover Sheet Special Declaration Of Intent.

It is my intent to the fullest impact of resources at my reach, the required time to research the truth, and published status digital web presence of that truth to the metaphor dynamics that

"I will physically travel and be present on the moon" by any means necessary.

That by to the actual dynamics of human diligence to the Adinkra symbology of "The Snake Climbing The Palm Tree" [Owo Foro Adobe] meaning "Performing the Impossible" to the effort it will take to terminate an actual hidden secret of conspiracy involved in this massive mischievous marvel of molding muck that is unconditionally impossible to deny the facts on record.

This to dismiss a citizen's need and complaint against maligned special interests of authority that places me at the table of discussion about truth and consequences --- as I was deemed making connections when there are not -- a delusion of mindset because of popular belief that #GangStalking is a massive created invention figment of impracticality that goes unchallenged that the American Public is not being violated by malicious intentions of government sponsored hate.

My informational theory network, in all technically possible defines is a "trust ladder" holding a triad of naming space [memespace] to the evaluation of trust upon digital equivalence of real world persons, places, and things.

In that effort here, there is no opt-out of this digital placement content that is web surfaced indexed for the public access to hold the notion that the government would

not engage in such irreparable damage onto targeted individuals such as I have been by forces I hold faith to understand the collective and overarching conclusion why I have been the target of these efforts --- and the fact that my lifestyle poses no risk so traumatic to the dangerous suggestions that I have been acting immoral or irresponsible to community infectious disease controls.

In fact, I claim that these attacks onto my essence of life circumstances, at the heart of my tenancy in HIV specific housing, knowing by placing me homeless instead of being stable housing residence is a causality of harm so severe --- they know better.

I, now taken to be just a human man under this life circumstances of stress as being in a 10+ year influx of a state of perpetual homelessness at the direct malicious actions that are of criminal intent of the leadership of region to region Ryan White Care Act funded agencies - an act of cause and effect become less stable -- more dangerous to the infectious value ratios to the community --- and that is for sure is an extreme condition by malice of criminal neglect and disturbingly this presence of hate given condonation from the upper tier of CDC, HRSA, and HHS turn a blind's eye --- informational data set reporting this problem is actually nationally scope focused as a conspiracy of hate that must terminate.

WILL ANYONE STAND UP AND BE CONSCIENCE with REALITY and HELP ME DO THIS ACT OF IMPOSSIBLE BREAKING OF A WALL SO MIGHTY --- YOU ALL ARE KILLING AND MURDEROUS TO THE PLAUSIBILITY --- YOU ALL HAVE BEEN WRONG -- and the COMMUNITY ACTORS of the BAREBACK scene HAVE BEEN RIGHT ALL ALONG.

The [Undetectable = Untransmittable] in HIV scientific facts relating to the HIV virus and human conditions on the street. This new informational messaging campaign and the attachment of digitally stored journals of scientific truths --- confirms this reality --- that you all stick your heads in the sand to not see the truth.

Or

in my other phrased style,

You have your heads up your asses where the sunlight does not shine to hold the bargained silenced line of an extreme of design of an unintelligent moral misguidance you all continue to defend -- a negative impactful memeplex that kills people!

You created this memeplex, so you are responsible for this widespread idea in the greater society that is harming.

TIME FOR SOMETHING NEW

TIME TO FOLLOW A PEACE AGENT

STOP TREATING ME LIKE A PIECE OF SHIT -- READY TO FLUSH DOWN THE TOILET.

APPLY MY UNDERSTANDING OF HOW TO ADAPT MEMETICS TO EQUATE TO

"SOCIAL IMPROVEMENT [medicine]

TO FIX THE MASS GUN SHOOTING EPIDEMIC that at the HEART of this hate conspiracy paradigm --- the erosion of trust so severe --- it is causing mass shootings --- people outside of this HIV infected world you have contempt for --- are also being killed.

FOOLS SAID I -- the Pandora's BOX you OPENED --- long time ago -- can't be taken away and burned.

FOOLS SAID I, IT TIME IS NOW AND A SECOND OVER NOW IS TOO FUCKING LATE TO DISTURB THE SOUND OF SILENCE!

The Sound of Silence

Disturbed

For tonight's performance of the The Sound of Silence

Join us on the stage

To be the odd Garfunkel to my Paul Simon tonight

Please welcome mister Myles Kennedy

Now fire up those lighter and cellphone

And hold them it up in the air people, now it's the time

Hello darkness, my old friend

I've come to talk with you again

Because a vision softly creeping

Left its seeds while I was sleeping

And the vision that was planted in my brain

Still remains

Within the sound of silence

In restless dreams I walked alone

Narrow streets of cobblestone

'Neath the halo of a street lamp

I turned my collar to the cold and damp

When my eyes were stabbed by the flash of a neon light

That split the night

And touched the sound of silence

And in the naked light I saw

Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dared
Disturb the sound of silence

"Fools, " said I, "You do not know
Silence, like a cancer, grows
Hear my words that I might teach you
Take my arms that I might reach you"
And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming

Give it nice and loud for Mister Myles Kennedy

Mpatapo

Mpatapo is a symbol image from the Adinkra (a system of symbols from Ghana in West Africa). It is meant to represent the "knot of pacification/reconciliation," and as such it is the symbol for reconciliation, peacemaking and pacification. "Mpatapo represents the bond or knot that binds the separate parties in a dispute to a peaceful, harmonious reconciliation. It is a symbol of peacemaking after strife." The Historical Age of Adinkra Dates Back more than two full centuries and it's origin is African Wisdom Symbolism Communications [non-literacy meanings] which are basic root communication structures that even breaks or overrides both written and spoken language barriers between peoples.
